

GIRÓSTATUS

GENERAL INFORMATION

Show: "Giróstatus"

Artist: Brunitus

Country: Argentina

Original Idea: Brunitus

Director: Eduardo Bertoglio (Poca)

Genre: One Man Circus/Theater street show

Audience: All kinds

Release Date: March 2007

Language: Universal

DESCRIPTION:

The show speaks (in a universal language) about time relativity and the beauty of circular movement. The main artists are the diabolos, a millennial toy with tons of tales to share. Everything starts with a trunk; inside it we find boxes, inside de boxes, toys, these toys turn and by turning, they create worlds. Each world has its music, its energy, its movement. Brunitus is a character that comes from another time, although we do not know exactly which time. It is a character that invites the audience to travel. To travel playing.

TECHNICAL REQUIREMENTS:

Show Time: 30 to 50 minutes

Minimun scenic space required: 6m width x 5m depth x 6m height

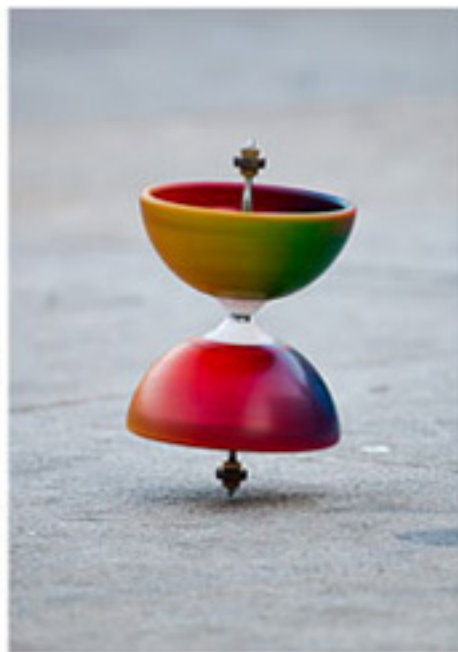

Distribution of public: front and semicircular

Sound (own material): microphone + mp3 player

Lights: it is designed to the possibilities of the place.
